Acceptances of the offer from shareholders located, residing or organised in a restricted jurisdiction will be invalid.

Other information***Requirement of LEI-code for legal entity**

From 3 January 2018, legal entities who participate in a transaction on the financial market need to have a Legal Entity Identifier code ("LEI"). A LEI code must be acquired from an authorised supplier, which can take some time. Kindly obtain a LEI-code in due time since the code needs to be submitted with the acceptance form. More information can be found on the Swedish Financial Supervisory Authority's (Sw. Finansinspektionen) website www.fi.se.

****Requirements of NID-number for natural persons**

National ID or National Client Identifier ("NID-number") is a global identification code for natural persons. From 3 January 2018 all natural persons have a NID-number which needs to be specified to be allowed to make a security transaction. If such a number is not specified DNB Markets might be prevented from executing the transaction for the natural person. If you only have a Swedish citizenship your NID-number will be "SE" followed by your personal identity number. If you do not have a Swedish citizenship or have more than one citizenship your NID-number may consist of another number. For more information about how NID-numbers are obtained please contact your bank. Please obtain your NID-number in due time since the number has to be submitted with the acceptance form.
